## Harford Park to receive two raised crosswalks

Baltimore County Traffic Engineering has approved two new raised crosswalks for our neighborhood to be completed this school year. They will be located at Park Drive and Taylor Avenue and at Glendale Road and Old Harford Road. While these raised crosswalks do make it safer for pedestrian crossing, they do so passively by slowing down traffic and increasing visual cues. Questions about this project should be directed to Keith Link at [wlink@baltimorecountymd.gov](mailto:wlink@baltimorecountymd.gov).
