Upcoming Renovations to the Community Building

The HPCA community building will be getting a new roof and much-needed ADA renovations this Fall! Thanks to the Bond Bill sponsored by our local representatives Bhandari, Jackson, and Klausmeier during the last legislative session, we will be adding a handicapped ramp and handicap accessible restroom and replacing the roof. Work should begin in mid-November so there will be no events or Hall rentals for several months but we look forward to showing off these upgrades at the general meeting in February.

Don't forget to check for the latest HPCA news and events at any of the sources below.
